

Further, it is not necessary to specify how the election is made because Applicant intends to rejoin to the prosecution claims 6-10 upon the allowance of generic claim 1. If the Examiner insists that some type of election be specified, then Applicant makes the election with traverse because of the erroneous statement that no claim is generic.

Prompt and favorable examination of claims 1-5 are earnestly solicited.

Respectfully submitted,

Jeffrey A. Wyand, Reg. No. 29,458
